

**Town of Manchester, Connecticut
Human Resources Department**

Town Employees:

Has it been a while since you have taken a CPR class?

Whether it is a member of the public or a co-worker, be prepared and learn the skills to maintain the life of a victim until emergency medical personnel arrive.

The Manchester Health Department is offering an American Heart Association HeartSaver CPR Class which will include:

- ? CPR for adults, children
- ? Proper use of an AED
- ? Choking management on adults, children

Date: Tuesday, May 20, 2014

Time: 9:00 a.m. to 11:30 a.m.

Location: Emergency Operations Center (EOC)

This session is free to employees. If you are interested, please call the Human Resources Department at (860) 647-3126 to register. Please confirm with your supervisor.
